

# *Christine M. Sanchez*

903 Berkley Ave, Pueblo, Colorado 81004 Cell: 719-557-2734 [cchristinessanchez@yahoo.com](mailto:cchristinessanchez@yahoo.com)

## **OBJECTIVE:**

To secure a responsible career position where I can utilize my skills and experience while contributing to the success of my employer. Strongly motivated nursing professional seeking a position as an RN at a progressive medical facility utilizing matchless patient care and acquired nursing expertise to achieve the highest level of patient care. Exceptional communication skills coupled with cultural sensitivity. Methodical and active personality with genuine compassion for sick people.

## **PROFESSIONAL SUMMARY:**

Strongly self-motivated, punctual, and follow directions accurately. Professional appearance and manner; cooperative and get the job done efficiently. Excellent public relation skills. Establish and maintain a respectful and courteous interpersonal skill with patients, peers, patient family, and professionals. Handles clinical calls and pharmacy calls as instructed by policy/procedure and physicians. Energetic self-starter with strong communication skills; team player and leader with the ability to coordinate and complete assignments. Demonstrates oral and written communication skills. Maintains professional demeanor always with patients, caregivers, physicians and co-workers. Documents appropriately.
