Work Experience

Divine house

Walmart

March 2016 to March 2017

I loved helping others, I also worked at Walmart I was a cashier for a Yare then I worked their for a while I loved working with customer . I always tried to get customer satisfaction, after I had my baby I start working for United community action partnership I was the Somali child care Aware outreach worker my duty was working with Somali woman to become day care provider I loved my job but I had to move to Shakopee for schooling I am studying to become nurse. I was also interpreting for a while in a clinic and they were satisfied with my job. I also worked at Thomas Allian home care for a while, I want back to school to take CNA class and I pass also I am train to do HHA and CNA worked. I am looking forward to to work as a CNA, I am still studying to become RN.
