Skills Summary

Good listener, Fast learner, computer/technical literacy, dependable, flexible, communication skills, planning skills, team worker.

Education

High school- Green Bay Southwest High school

Graduated-2015

1331 Packerland Drive, Green Bay Wisconsin, 54304

College- University of Wisconsin-Milwaukee

College of Nursing

Graduated December 2019 GPA 3.5

Work Experience

Hagemeister Park

Hostess, May 2015- August 2018

As a hostess I am the first and last impression the restaurant has on their customers. I would greet and thank customers as they walked in and out. While also holding short conversations and being friendly. As I sat them I would have to accommodate their wants and make them feel comfortable.

East Castle Place

CNA- April 28th – August 2018

Specifically, I work on the rehab floor at this facility. As a Certified Nursing Assistant I provide help with their daily cares, meal times, personal cares and performing limited procedures. I contribute to their quality of life the moment I step into their room and aside from their daily needs I am a shoulder to cry on or hand to hold.

New Perspective Senior Living

CNA- Med- Tech - June 2017- February 2020

New Perspective is a senior living facility, I worked with the assisted living residents, as a certified nursing assistant I did cares that include toileting, bathing, ambulating and dressing. I had the opportunity to sit with residents one-on-one doing many activities including baking, playing cards, making puzzles etc. Throughout caregiving I had the opportunity to take the medication administration class and am certified to pass medications at this facility.

AdventHealth Winter Park

Registered Nurse April 2020 – Current

As a registered nurse at AdventHealth I worked on an oncology med surg/med tele floor. Typical patient assignments were 4-5 patients. I am certified through AdventHealth to administer IV chemotherapy, as well as accessing/de-accessing ports. I had many opportunities in training student nurses in their capstone semesters as well as new grad nurses starting out on the floor. Lastly, I was nominated as the floors spokesperson for ARJO equipment and meet once a month with their rep to discuss patient lifts, equipment and things the floor can improve on.

Licensure

Registered Nurse issued 3/25/2021 No. RN 9530261

BLS issued 12/8/2021
