I have seven years of experience in the medical field as a certified nursing assistant and also I have never been reprimanded by state for any undesirable actions. I know all of the correct techniques and correct ways to safely provide care to residents . I know how to properly use hooyer lifts, gate belts, sit to stand , I know the correct way to bathe, feed, assist with ambulation as well as properly making a occupied and unoccupied as way as providing oral and pericarp at this time I am looking for part time work perhaps two pm shifts a week and every other weekend and on occasion can pick up more pm shifts with reasonable notice ahead of time wheni am able too. I do intend on making this a full time position at some point as of right now my husband also works and we have two young children ages two and three one who is starting preschool and the other who is waiting on daycare assistance my Pay rate is negotiable for and can be discussed upon interview as well as hours per week thank you for your time hope to hear from you soon and provide your facility with quality and properly trained work. Sincerely,

Mariah Zawadzki
