410 Church St • Clinton, WI, 53525 • (608) 346-0831 • jbrewers09@gmail.com

Dedicated and experienced Nurse Practitioner with outstanding patient relations and clinical judgment skills. Experienced in step-down ICU, outpatient services, float pool, operating room, program management and staff supervision. Excellent track record of addressing critical patient needs, collaborating effectively with multidisciplinary teams, coordinating with physicians, physical therapists, social services and many other professionals while maintaining detailed documentation and records.

## Summary of Qualifications:

- Skilled in motivational interviewing, including the ability to listen closely to patients, learn more about their complaints, and provide the best treatment options for enhanced patient care and compliance.
- Strong interpersonal skills that allow me to work closely with other members of the care team for the best treatment plan.
- Adept at program direction, including statistical data management, reporting, admissions, and patient advocacy.
