Work Experience

Registered Nurse

St Croix Hospice - Marshfield, WI

June 2020 to Present

- Assess home care needs, being aware of the physical, emotional, and spiritual aspects of the patient and gather data on social, economic and cultural factors which may influence their health, well-being and quality of life.
- Address concerns from patients, family members or other clients with empathy.
- Evaluate and perform ongoing assessments and revise plan of care with Interdisciplinary collaboration weekly or as the needs and conditions of the patient/family change.
- Participate in the agency's on-call rotation to provide nursing service to clients outside regular business hours.

Registered Nurse

Aspirus Kidney Care - Wausau, WI

December 2019 to May 2020

- Initiate and terminate outpatient hemodialysis treatments according to established protocols.
- Monitor the condition of each patient during the dialysis treatment.
- Provide patient care and education on the dialysis process.
- Administered medications safely and monitored for side effects and adverse reactions to medication.

Registered Nurse

Aspirus Hospice House - Wausau, WI

November 2010 to December 2019

- Provided individualized care, treatments, assessments, and education for patients and their families on end of life care;
- Identified physical, psychological, social, and spiritual factors that may influence the patient and their family and incorporate that into the plan of care;
- Organized patient care to meet patient and agency needs, and adapt priorities in response to patient's needs;

- Administered medications safely, monitoring for side effects and interactions.

Registered Nurse Transitional Care Specialist

Aspirus At Home - Wausau, WI

May 2013 to August 2015

- Assessed patients at the hospital for hospice, home health, and supportive home care needs.
- Provided care transition interventions including referrals to Home Care for medication management, IV antibiotics, tube feedings, home safety, wound care, and rehab services.
- Worked with representatives from the hospital and other facilities to enhance the understanding of payer eligibility requirements for benefits in home health.
- Provided assistance and support to the intake team.

Registered Nurse

Colonial Manor Medical and Rehabilitation Center - Wausau, WI

July 2009 to November 2010

- Provided individualized care, treatments, assessments, and education for patients and their families.
- Organized patient care to meet patient and agency needs and adapt priorities in response to patient's needs.
- Administered medications safely, monitoring for side effects and adverse reactions to medication.
- Related pathophysiology of diseases to patients' assessment findings, medications, laboratory and diagnostic test results, along with the medical and nursing interventions.

Senior Technical Assistant

Liberty Mutual/Wausau Insurance - Wausau, WI

July 1995 to July 2009

- Provided customer support and setup of Risk Management Information Services.
- Produced and delivered one-time loss run reports to customers.
- Performed research and tested new systems, and assisted with updating of manuals and procedures.
- Provided assistance and support with the Wausau to Liberty systems, ensuring that all outstanding issues were resolved.
