- Surgical unit and Telemetry units

Clinicals

Medical Surgical-Aurora Medical Center Kenosha WI - Kenosha, WI
September 2017 to November 2017

Student Nurse Intern/ Unit Secretary

Froedtert - Kenosha, WI
May 2012 to April 2017

on Telemetry/Medical-Surgical unit, Responsibilities include: assisting with call lights and ADL's, assisting Physical Therapy and Occupational Therapy with patients, acquiring and charting vitals, blood sugars, transportation of patients to x-ray, MRI, CT etc., caring for patients who are on Hospice, patients recovering from alcohol and drug abuse, Alzheimer's and dementia patients. I also have worked with traction beds, post -surgical patients, wound vacs, jackson pratt drains, CBI's, suction. insertion and discontinuation of foley catheter, initiating IV's, communication with family and providers of patient progress, central line blood draws and discontinuation, communicating among co-workers, RN's, providers and other departments. As unit secretary I answer phone calls, get consents for procedures, update patient's files as well as put them together upon admission or coming from surgery, discontinuing orders, putting together nursing home packets as well as maintaining a productive work flow in the unit. (Other skills performed on skills checklist which will be provided upon interview)

Resident assistant

Canterbury Home Assisted Living - Pleasant Prairie, WI
May 2012 to May 2013

CNA Responsibilities include: Assisting residents with ADL's, such as bathing, dressing, feeding, toileting and certain physical therapy orders such as ambulating. Also included in cares were medication administration, taking vitals, weights, checking blood sugars, changing and treating wound dressings, applying creams, eye drops, applying and removing medicated patches, foot care. I was also a medication administration trainer. I was in charge of counting and storing medication when they came in from pharmacy, giving and taking report and charting. I also worked in the front office answering phone calls from family members, nurses and was in contact with pharmacy to get updates on medications and change information on the MAR accordingly, and maintaining patient's charts up to date.

Residential Aide

Brookdale Senior Living - Kenosha, WI
July 2011 to January 2012

Responsibilities include: Assisting residents with ADL's, ambulating, feeding, showering, assisting with recreational activities, and passing medications. Also included in responsibilities were to follow proper protocol when a resident had a fall, by calling the RN on call, communicating what happened in detail, calling ambulance and family members, charting on appropriate flow sheets.
