## Objective

Caring and compassionate registered nurse seeking to secure a RN position with a reputable organization to expand my knowledge, skills and experience.

## Experience

### U.S. Army - Tripler Army Medical Center - Hawaii

Inpatient Pediatric RN - February 2021 - Current

- Currently serving as Assistant Officer in Charge (Assistant Head Nurse) of the unit
- Charge nurse responsible for managing up to four professional and one paraprofessional staff members, facilitating huddle, and creating patient assignment
- Member of the Unit Practice Council continuously working on policy improvement projects
- Provide effective communication with children of different abilities and developmental levels and their families about symptoms and treatment plans
- Safely administer prescribed medications and blood products
- Perform EKGs, nebulizer treatments, and peripheral intravenous starts
- Prepare patients for tests, evaluations and treatments

Medical Support Staff RN - March 2021 - May 2021

- Deployed to Chicago, IL to support the COVID-19 Mass Vaccination Mission
- Worked in collaboration with members of FEMA and the City of Chicago Public Health to effectively run Chicago's Mass Vaccination Center
- Served as Lead RN in the vaccine pharmacy overseeing the preparation of Pfizer and Johnson & Johnson COVID-19 vaccines
- Personally administered 1,910 vaccines out of 290,000 total

Inpatient Medical Surgical RN - January 2019 - January 2021

- Charge nurse who managed 5 RNs and two CNAs, facilitated huddles and created patient assignments
- Provided pre/post surgical care education monthly through a patient centered Ortho-Joint class
- Served as a preceptor for new hires including new graduates
- Provided dressing changes to acute/chronic wounds and surgical sites
- Provide foley care, drain management and end of life care

- Liaison between patient/families, physicians, social work, physical therapy and occupational therapy to ensure patients are ready for placement
- Recognized and appropriately responded to medical emergencies

#### **U.S. Army - Landstuhl Medical Center - Germany**

Nurse Summer Training Program - July 2017 - August 2017

- Interned on the Intensive Care Unit
- Participated in a multi-country mock mass casualty exercise
- Served as team lead for the training program graduation ceremony
