As a Registered Nurse, I possess the appropriate skills and knowledge for efficient patient care. My ability to work as an individual nurse and collaboratively with other members of the healthcare team would be a great asset.

I am a reliable and hardworking individual who places patient care first in all aspects of nursing.

Work Experience

Registered Nurse

Aurora Sheboygan Memorial Medical Center - Sheboygan, WI

June 2019 to Present

- Assess adult and adolescent patients with various behavioral health problems
- Treat acute and chronic medical problems
- Medication administration under the direction of the physician
- Assess for suicidal ideation using the C-SSRS scale
- Assess for substance withdrawal using the CIWA-Ar and Cows scales
- Provide a safe environment for patients and staff
- De-escalate situations using VDI/POSC skills
- Delegate tasks appropriately based on skillset and knowledge
