Seeking a Registered Nurse position where I can collaborate as an ambitious team member to further my professional development while providing patient focused care.

Work Experience

Registered Nurse - Operating Room

Aspirus Wausau Hospital - Wausau, WI

January 2018 to Present

Currently function as the circulating nurse by prepping the patient (including pediatric to geriatric populations) and OR for surgical procedures, ensuring safe positioning of patients and safe handling of medications, counting instruments, sharps, etc., completing documentation in the EPIC system, preparing specimens for transport, all while acting as the advocate for my patients while they are under anesthesia.

Nurse Tech - Operating Room

Aspirus Wausau Hospital - Wausau, WI

September 2017 to January 2018

Assisted in prepping the OR, positioning patients, and performing other duties as directed during surgical procedures, all under the direct supervision of a Registered Nurse.

Student Nurse Intern - Birthing Center

Aspirus Wausau Hospital - Wausau, WI

June 2017 to August 2017

Performed assessments, administered medications, reinforced teaching, provided support and encouragement to patients and their families, consulted and collaborated with team members, analyzed and documented data in the EPIC charting system, all under the direct supervision of a Registered Nurse.

Healthcare Work Study

Northcentral Technical College - Wausau, WI

May 2016 to January 2017

Set up, organized, and cleaned nursing skills stations, performed stocking, laundry, and other office duties as needed.

Nursing Peer Tutor

Northcentral Technical College - Wausau, WI

June 2016 to December 2016

Assisted nursing students with developing their organizational and study skills, helped in reviewing material for tests, and provided encouragement.

Nursing Assistant/Health Unit Coordinator - Nursery

Houston Medical Center - Warner Robins, GA

February 2013 to August 2014

Organized and prepared charts for new admissions, answered phones, stocked and cleaned department as needed, and provided direct patient care including taking vitals, bathing, changing diapers, and feeding infants.

Nursing Assistant - Medical/Surgical

Coliseum Medical Center - Macon, GA

April 2012 to February 2013

Assisted with activities of daily living including bathing, ambulation, repositioning, etc. and performed patient care activities as directed by the Registered Nurse.

Education

Associate Degree in Nursing

Northcentral Technical College - Wausau, WI

December 2017
