Provided direct nursing care to residents and supervised day- to- day care. Responsible for the completion and maintenance of medical forms, reports/ evaluations, resident charge slips, death reports and post-mortem procedures. Facilitated policies and procedures to personnel, residents, families, visitors and government agencies.	

Military Service:**USAF Scott Air Force**

10/2007 – 02/2010

Scott Air Force Base, IL

Clinical RN

Assessed, planned, implemented, and evaluated care of patients in the USAF Air Transport System. Supervised nurses and medical technicians. Supervised, planned, instructed and maintained documentation of skills training of Squadron Nursing Services personnel. Ensured Unit personnel were wartime ready. Provided comprehensive mission-readiness focused skills education

Specialty Assignments -**Select Specialty Hospitals**

06/2009 – 10/2009

Saint Charles, MO

Initiated ongoing systematic assessment of physical, emotional, social, educational and functional needs of patients and families via interview, observation, and physical examination. Collaborated with physicians to implement assessments, plans, evaluations, and follow-up on care plans with patient population. Provided direct care to patients, age 13 and older

Sterling Medical Corp. Scott Air

10/2008 – 04/2009

Scott Air Force Base, IL

Ensured compliance with standards of care, practice in accordance with established policies, procedures and guidelines used in the medical treatment facility. Responsible for making patient care assignments based on the scope-of-practice and skill level of assigned personnel. Accountable for recognizing adverse signs and symptoms. Quickly reacted in emergency situations and provided prompt, quality care within ethical and legal boundaries.

USAF Ramstein

08/2004 – 04/2007

Ramstein Air Force Base, Germany

Clinical RN

09/2005 – 04/2007

Led, planned, and coordinated nursing practices in family ambulatory care clinic with medical, maternal, and mental health services. Coordinated multidisciplinary medical care of assigned patient population.

Flight Nurse - 86th Aero Evac Squad

08/2004 – 09/2005

Supervised, directed, and delivered quality urgent and in-flight patient care. Collaborated with flight surgeons and aeromedical staging personnel throughout patient transport. Developed, coordinated and executed annual training requirements for unit personnel.

375th Medical Group

03/2001 – 08/2004

ER / Ambulatory Services USA

Scott Air Force Base, IL

Clinical RN

Delivered emergency treatment to over 2000+ patients / month in a Level II ER department. Cared for minor illness to life-threatening severe trauma, requiring advanced nursing care. Collected detailed pre-procedure, pre-operative patient history. Administered conscious sedation, performed post-anesthesia patient care and detailed discharge planning
