WORK EXPERIENCE

Registered Nurse

Children's Wisconsin- NICU/Pediatric Med-Surg, Neenah, WI April 2020- Present

- Identify needs and problems of the ill neonate through physical assessment and clinical observation
- Act as a patient advocate for both child and family along with a team of hospitalists, neonatologists, NNPs,, respiratory therapists, dieticians, and other healthcare team members for personalized care
- Managing and monitoring patients on a variety of specialized treatments including oxygen therapy, ventilation, both invasive and non-invasive, administering weight dosed medications, nasogastric/orogastric tubes, central and peripheral line management, and vital sign monitoring.
- Create a safe and welcoming, supportive environment for both child and family

Registered Nurse

ThedaCare, Surgical Services, Appleton, WI June 2019- Present

- Administered medications, provided treatments and carried out nursing skills within scope of practice, staying up to date on all hospital policies and procedures, including proper documentation
- Worked collaboratively with physicians, nurses, dieticians, home health teams, occupational/physical therapy teams, and other healthcare teams to develop an individualized plan of care for patient load of 4-6 patients per shift
- Instructed patients on their disease, treatment, and care plan to enhance their quality of life and promote a positive attitude
- Sought out learning opportunities and career advances within surgical unit

Oral and Maxillofacial Surgery Assistant

Apple Creek Oral Surgery, Appleton, WI January 2013- May 2019

- Assisted oral and maxillofacial surgeon in a number of procedures and surgeries including extractions, implants, biopsies, and grafts
- Supported surgeons at local hospitals as privileged assistant (ThedaCare & St. Elizabeth Hospitals)
- Maintained a sterile work environment and chain of sterility
- Assisted surgeons in sedating patients and monitoring patients throughout and after surgery

HIGHLIGHTS OF QUALIFICATIONS

- Work history noted for determination, organization, and working above expectations
- Effective interpersonal and communication skills
- Overall passion for pediatric nursing and continuing education

CERTIFICATIONS

- BLS (CPR & AED) Certified, PALS Certified
- NRP Certified
- STABLE Training completed
