Work Experience

Registered Nurse

Froedtert Hospital 5SE Medical Surgical Unit

March 2019 to Present

- Full time 12.5-hour night shifts. High acuity 4-5 patients to nurse ratios
- Currently a Nurse Preceptor for new nurses and nurse externs
- Strengthened prioritizing, problem solving, clinical competency, communication, professional role development, confidence, and delegation skills by:
 - Communicating with patients and patients' family, oftentimes during difficult circumstances, in a thoughtful manner while preserving patient rights under HIPAA
 - Advocating for patients to benefit their health and satisfaction in their care
 - Using critical thinking and shared decision making to enhance patient care and health outcomes
 - Recognizing declining health and prioritizing patient care
 - Quickly and effectively responding to emergent situations
 - Educating patients and family with individualized care and opportunity for learning
- Development Counsel - Froedtert Hospital 5SE
 - Plan activities, decorate unit, and connect with outreach communities for staff involvement for increase in job satisfaction and staff retention

Clinical Navigator Volunteer

Children's Hospital of Wisconsin

August 2018 to February 2019

- Screened children for needs who are new patients, receiving physicals, well baby checkups, and asthma checks
- Met with caregiver(s) of the child who had screened positive for lack of fundamental needs and listened to them to personalize resources
- Provided follow up on resources with phone calls

Certified Nursing Assistant

Aurora St. Luke's Hospital

May 2017 to July 2017

- Assisted patients in hygiene activities safely
- Took vitals and communicated with the nursing staff on changing patient status
