+1 816 520 4692

I am currently licensed registered nurse with the education and experience to be a success in providing high quality patient care. Proven nursing skills such as administering medications, wound care, ADLs, charting, and assisting advanced nurse practitioners and physicians in their examination of patients. Strong work ethic with the ability to confront conflict in a professional manner, and the flexibility to succeed in a fast-paced work environment.

Authorized to work in the US for any employer

Work Experience

Registered Nurse Med/Surg/Tele

Truman Medical Centers - Kansas City, MO

June 2017 to Present

I am currently a nurse on the med/surg/tele floor. My job consist of monitoring patient statutes reporting any changes to residents. The job requires total patient care. I am responsible for but not limited to starting and maintaining I.V sites and administering medications.
