## Work Experience

---

### **Registered Nurse**

Ascension Health - Milwaukee, WI

February 2018 to Present

I have successfully taken care of up to 7 patients at one time in a high paced emergency room setting. I have additionally taken care of critical ICU patients when holding patients in the emergency room. I have been able to quickly make critical decisions during high stress events such as patients coming in from the field with a ROSC or return of spontaneous circulation patients, stroke patients, seizure patients, MI (myocardial infarction) patients, drug overdoses, and stab/gunshot wounds.
