Work Experience

LPN (Licensed Practical Nurse)

Bright Start LLC
August 2019 to June 2020

I worked at clinic under a contract till I was laid off due to the pandemic in march of 2020.

LPN (Licensed Practical Nurse)

Ghc
June 2018 to 2019

I am currently working with rooming patients and Taking vitals and giving injections. Work with epic health charting and do ekg's and preform other tasks. I know how to run a fax machine and complex telephone system. I also do rd calls and lab results and medication refills.

LPN (Licensed Practical Nurse)

Edgerton Care Center - Edgerton, WI
January 2018 to June 2018

I work as a floor nurse passing medications and treatments on patients along with rd. Calls to update on patients status.

LPN (Licensed Practical Nurse)

UW Health Medical Foundation - Madison, WI
March 2012 to November 2017

I worked with rooming patients and taking vitals. Worked with the epic system and have immunizations to children thru adults. I did ekg's and did phototherapy with patients along with scheduling appointments and handling phone calls to patients about results and labs.
