

Felecia Lynn Cameron, RN  
(330) 550-2403  
21482 Middletown Road  
Alliance, Ohio 44601

---

### **Professional Experience**

Registered Nurse with extensive critical care experience. Most recently employed as an RN with the Cleveland Clinic Staffing Resources. Extensive clinical knowledge required to obtain this position which allows me to travel to several different Emergency Departments throughout the Cleveland Clinic System including their Level II Trauma/Stroke Center. Acute care experience included expertise in the care of the critically ill medical, surgical and trauma patients, life stages from neonatal to geriatric. Proficient in initiating and maintaining the airway of a critical patient, mechanical ventilation, interpretation and treating EKG and monitored rhythms. Capable of induction and maintenance of ACLS, vasoactive and anesthetic agents, care of patients with multi-organ system failure and complex trauma patients, orthopedic splinting and traction maintenance. Charge nurse at a Level I Trauma Center ER for 3 years and additionally at other facilities. Function as a preceptor and mentor to new staff and students. Able to complete all drug and alcohol testing as required by the site protocols and maintenance of chain of custody for legal purposes. Adhere strongly to all HIPPA and privacy guidelines in all clinical and non-clinical work.

### **Certifications**

PALS ACLS BLS NIHSS

### **Education**

Mercy College of Northwest Ohio (ADN)  
January 2003 - August 2004
