

# Robin Marx

RN, BSN, CNOR, RNFA

**Address** OSHKOSH, WI, 54904

**Phone** 9204107877

**E-mail** robmarx13.1@gmail.com

Highly motivated, dedicated RNFA focused on delivery of excellent patient care in the operating room to optimize patient outcomes. Dependable and composed team member experienced working in complex and dynamic environments. A self motivated and skilled professional who enjoys challenging cases and learning daily. Looking for opportunities for personal growth and development.

## Skills

Practice according to hospital policy, AORN standards and within limits of the RNFA scope of practice.

Decrease turnover between surgical procedures through effective time management and problem solving related to equipment and instrumentation conflicts.

Enhance effective team performance through adaptive coordination and communication.

Respond to emergency situations and interpret appropriate information to identify patient requirements while functioning as a patient safety advocate.

Experience working quickly and efficiently during intense emergent situations.

Communicating and functioning as a resilient member of the team.

Supervise and delegate surgical team during trauma situations and routine surgery.
