## PROFESSIONAL EXPERIENCE

---

**Advantage Interventional Radiology, El Paso TX** 05/2020-Present

Position: Director of Nursing (05/2020-11/2020).

- Promoted to this position after short time as PRN IR Nurse at this facility.
- Developed clinic into the leading center across the company and built a strong community reputation with various clinicians.
- Duties included: Staffing, patient care ratios, narcotic management, budget reporting, supply management, team development, and quality improvement.

Position: Regional Director of Nursing (11/2020-11/2021).

- Promoted to this position to help develop and grow clinical operations.
- Focused on development of new clinical centers, staff acquisition and operations.
- Duties consisted of management of local directors of nursing, clinical developments, and operations.

Position: National Clinical Director (11/2021-Present).

- Promoted to this position to elevate the clinical standard of care and clinical operations.
- Supervision and development of 9 clinical centers and worked directly with Chief Executive Officer, Chief Medical Officer, and Chief Financial Officer.
- Implemented quality improvement strategies, achieved business development milestones and national supply contracts/negotiations.

**Presbyterian Health Services, Rio Rancho NM** 06/2018-06/2020

Position: Emergency Room Nurse III

- Provide high quality emergency room patient care to patients in a rural level II hospital. Completed triage mastery program, ultrasound IV competency, procedural sedation competency and resuscitation room competency.

**University of New Mexico Hospitals, Albuquerque NM** 07/2017-10/2018

Position: Urgent Care Nurse

- Provided urgent care services on-site at Level 1 Trauma center. Frequent shift rotations and training with emergency room. Charge Nurse relief shifts during this role, and I provided orthopedic splint training to new oncoming staff.

**University of New Mexico Hospitals, Albuquerque NM** 01/2016-08/2017

Position: Neuro IR Nurse Specialist

- Neuro-IR first assist for neurosurgical cases. Developed new clinical workflow for stroke activation and patient care. Assisted neurosurgeons in clinic visits, tracked patient outcome data and shared data with hospital leadership. Served on UNMH Stroke Committee during this employment period.

**University of New Mexico Hospitals, Albuquerque NM** 01/2016-05/2017

Position: Nurse Residency Program

- Completed nurse residency program while working full-time as Neuro IR Nurse Specialist. Achieved the honor of presenting at 2018 Vizient Nurse Residency Conference on my EBP project: *Thrombectomy: Workflow Implementations to*

*Improve Door-to-Groin Times.* This project focused on improving critical workflows that directly impact the patient's outcome after ischemic strokes.
