
Hollie Cooper

Registered Nurse

10421 W Hampton Ave

Milwaukee, WI 53225

414-394-2666

hclpn@gmail.com

I would be an asset to your organization due to my strengths, which include punctuality with attendance, and understanding that my main goal and purpose is to be there for the client and family as deemed appropriate. I work well with others as well as independently. I have the ability to be an effective communicator with individuals of different cultural and socioeconomic backgrounds, as well as collaborate with different members of the healthcare team.
