

Kelsey Feeney, RN

35 Sugar Maple St, Bluffton, SC, 29910 | 843.816.2227 | kelseymarie.rn@gmail.com

Objective

- A compassionate professional dedicated to quality patient care seeking a position as a registered nurse in the plastic surgery setting, where I can ensure the best possible patient outcomes and patient satisfaction. My positive attitude, excellent time management skills, and ability to work as a team member make me a great candidate for this position. I am always excited and eager to learn new skills in order to provide my patients with the best care possible.
- I have great knowledge of and experience with sterile technique, surgical setup, suture/staple removal, and application and removal of bandages/dressings.

Experience

NEONATAL INTENSIVE CARE REGISTERED NURSE | MEMORIAL HEALTH UNIVERSITY MEDICAL CENTER | NOVEMBER 2018 - PRESENT

- Promote and restore patients' health by completing the nursing process; collaborating with physicians and multidisciplinary team members; providing physical and psychological support to patients, friends, and families in the intensive care setting. Identifies patient care requirements by establishing personal rapport with potential and actual patients and other persons in a position to understand care requirements. Maintains safe and clean working environment by complying with procedures, rules, and regulations; calling for assistance from health care support personnel. Protects patients and employees by adhering to infection-control policies and protocols, medication administration and storage procedures, and controlled substance regulations. Documents patient care services by charting in patient and department records.
