Objective

As a registered nurse, I have a BSN. I have obtained by CEN and TNCC with TNS qualifications. I am an educator, I teach ALCS, PALS and basic EKG interpretation. I have worked on many projects that helped prepare me for a job as an Educator. I have been a member of teams that have work on quality improvement in the ER and in the training center. I have use simulation in ACLS classes as part of my job as a BLS coordinator. I help design the CEN review class.
