WORK HISTORY

Intensive Care Registered Nurse , 11/2015 to Current

AMITA Health Alexian Brothers Medical Center Elk Grove Village – Elk Grove Village, Illinois, United States

Closely monitored acute conditions of critically ill patients and made proper judgments on plan of care and interventions as needed.

Active part of unit-based groups such as safety committee and actively sought out opportunities for improvement within the unit.

Active part in maintaining quality standards including education initiatives such as CAUTI education and Mobility education throughout hospital.

Completed 2500 hours of clinical work in intensive care nursing in a comprehensive stroke center as well as a Blue distinction center for cardiac care.

Managed patients with multiple comorbidities as well as patients with intra-arterial balloon pumps, extra ventricular drains, continuous renal replacement therapy and followed proper protocols when put in place.

Preceptor to new employees on unit and educated new staff on policy/procedure.

Registered Nurse II, 02/2014 to 11/2015

Centegra Hospital - McHenry – McHenry, Illinois, United States

Completed 2300 hours of clinical work in medical-surgical and pediatric nursing.

Developed education for patients that was age-appropriate to pediatric patients.

Disciplined, energetic employee who quickly established rapport with patients and colleagues.

Sound, ethical and independent decision-making ability.

Performed all tasks with a patient-centered focus while seeking opportunities for improvement of processes and treatments.

Developed and maintained quality of care systems and standards, including but not limited to, creating and improving medical protocols/guidelines.

Server, 08/2010 to 03/2014

Stonewood Ale House – Schaumburg, Illinois, United States

Maintained a professional tone at all times, including during peak rush hours.

Accurately recorded orders and partnered with team members to serve food and beverages that exceeded guests' expectations with fast, friendly service.

Completed closing duties, including restocking items and closing out the cash drawer.

Developed repeat business by creating relationships with new patrons.

Selected to train new employees about policies and procedures within the restaurant.
