## Objective

I have been a nurse for sixteen years and have worked in various departments within hospitals. I have acquired a strong set of people skills, especially from working in the emergency department for ten years. At this point in my career, I am looking for a change of pace. I am a fast learner and am looking forward to exploring a new area of nursing.

## Experience

### Buffalo Hospital

**4/2007 - present**

- Working at the Buffalo emergency department for the last ten years as both a charge nurse and a staff nurse.
- Acquired skills to care for a wide variety of patients in the department; ranging from mental health patients to critically ill medical patients, young and old.
- Often assist with conscious sedations for procedures such as joint reductions. Proficient with the ultrasound for IV starts.
- Preceptor to nurses in the department.
- Developed communication skills in the charge nurse role to help the team work effectively together.

### Monticello Big Lake Hospital

**01/2003 -**

**04/2007**

- Worked there four years as a float nurse and as a charge nurse on the medical floor. Float areas included: emergency department, medical surgical floor, and post partum.
- Skills learned as a charge nurse include: effectively communicating with the physicians, prioritizing patient needs, and deescalating troublesome situations.
- Learned how to communicate well with a variety of patient populations.

**Mercy Hospital**

**08/2000 - 01/2003**

- First job as a newly graduated nurse on a general medical floor.
- Main duties included caring for a wide variety of medical and post-operative patients. This was a great experience to learn about multi-tasking and prioritizing.

**Education**

**Minnesota State University Moorhead**  
**present**

**01/2015 -**

- Enrolled in the Bachelors of Science in Nursing program at Moorhead to further career. It already has been giving me a more holistic approach in how to treat patients and their families.

**Anoka Ramsey Community College**

**2000**

- Graduated with an associate's degree in nursing in 2000.

**Certifications**

- ACLS/BLS
