

Experience

Registered Nurse
Methodist Hospital

St Louis Park, MN
Aug, 1991 / Present

I am what's called a "Flying squad" Nurse at our hospital. We respond to all types of different codes, and are part of the rapid evaluation team. At night we are the back up for the IV team, PACU, ER, and endoscopic department. I'm also part of the critical care float pool and work on the ICU and telemetry floors.
