

Megan D. McGuire

7202 W. Hillside Road, Crystal Lake, IL 60012
T: 815-260-5427 E: mdmcguire922@gmail.com

Career Objective

Compassionate and motivated nursing professional seeking to obtain a nurse practitioner position within the adult-gerontology care continuum where I will be able to utilize my full breadth of critical thinking and proven attention to detail while further developing my established assessment, evaluation, and treatment planning skills.

Work Experience

Centegra Health System/Northwestern Medicine

Nurse, Intensive Care Unit- Medical/Cardiovascular ICU July 2012-
Present

- Proficiently perform and manage daily patient care including physical assessments, medication administration, treatment and therapy facilitation within a multidisciplinary team.
- Built a reputation and recognized for providing the highest quality, tailored patient care. Frequently received letters of gratitude and requests for my care from patients and families.
- Extensive experience in specialized skills including care of intra-aortic balloon pumps, continuous renal replacement therapy, and open heart surgical patients.
- Excelled in leadership roles as unit charge nurse, rapid response team, PRN nursing supervisor, and preceptor for new hire nurses. Well respected by supervised staff and praised by managers with exceptional confidence in ability to support daily unit work flow.

Centegra Health System

Patient Care Technician

July 2012

June 2007-

- Assessed vital signs and assisted patients with activities of daily living under the supervision of registered nurses.
- Entrusted to additional roles including staffing coordinator, nursing supervisor assistant, and patient safety companion.
