COLLEGE OF NURSING - BSN, 1994**

## PROFILE

With high hopes and much encouragement, Albert is seeking to broaden his career through employment with your valued company. Amidst a 22 year career in nursing, he is able to demonstrate the necessary capacity to coordinate, facilitate and support, operational, financial and personnel activities involved in the dispensation of health care. Moreover, to the benefit of those he cares for, the extraordinary share imparted, always aligns with bringing those about to an optimal state of well being.

- 15 years in the acute bedside care in the Emergency setting, having held roles as Charge Nurse and Educational Resource Nurse.
- 2 years in an Intensive Care setting at the University of New Mexico level I trauma center and learning hospital, having been instilled with an affinity to coordinate with multidisciplines, building rapport with a sundry of doctors and other specialized professionals.
- 4 years with Intel Corp., going beyond case management and into project management opening the RR7 Clinic on the Rio Rancho Campus.
- 1 year as a Chief Operations Officer for a National Third Party Pension Administration Firm.
- Adept with computer skills having familiarity of MS Office and Apple equivalents.
