Work Experience

Registered Nurse III

Wheaton Franciscan Helathcare, part of Ascension Health Care-St. Francis Hosptial - Milwaukee, WI
April 2014 to Present

Provide emergency medical care in a busy urban hospital with a diverse patient population. Duties include charge nurse, triage, assessments, initiating lifesaving procedures, working closely with physicians, and performing many nursing skills independently. I have served as a lead preceptor to many new hires and new graduates. I am trained to use Sonosite Ultrasound for difficult IV placement. I have been able to draw on my past experience in emergency medicine to quickly adapt to this work environment.

In addition to my unit leadership and nursing duties, I have served as EMS-Liaison for three years. My duties in this position including attending committee meetings and providing information in regards to chest pain, stroke, and trauma. I provide education to hospital employees on EMS systems and procedures. Other duties include follow up and auditing any interaction with both municple and private ambulance crews, planning and preparing our annual EMS week celebration, and the collection and input of data to track outcomes.

Emergency Medical Technician

EMT-Basic - Waukesha, WI

October 2005 to Present

53188 Supervisor- Brenda Hellman Bulle 262-521-2626

Job Description

Work as a part of a two person ambulance crew, performing patient care including head to toe medical and trauma assessments, vital signs, provide emergency care for medical & traumatic emergencies including cardiac and respiratory arrest, respiratory distress, diabetic emergency, and physical trauma. Documentation of all treatment provided. Certified Emergency Vehicle Operator. Assist in training and integration of new hires during field operations.
