OBJECTIVE

Reliable healthcare provider seeking a position that utilizes my knowledge of assisting with patients and demonstrates communication, professionalism, and analytical skills in a critical care setting.

WORK EXPERIENCE

Registered Nurse, Clinical Practice Leader, Relief Charge Nurse

01/2016-Currently, Presbyterian Downtown Hospital ER, Albuquerque, New Mexico

- Providing initial assessment and safe care to stabilize patients of all ages in a fast-paced environment.
- Assisting physicians with procedures such as central line placement and intubation under emergency situations.
- Multitasking and prioritizing responsibilities based on patients conditions in a timely manner, maintaining confidence in critical situations.

C.N.A./Mental Health Technician

07/2014-06/2015, Mesilla Valley Hospital, Las Cruces, New Mexico

- Assisted RN's in caring for patients with mental health illnesses.
- Organized and ran therapeutic groups for patient's with mental health illnesses.
- Used therapeutic communication to help deescalate situations.

Student Nurse/Clinical Rotations

08/2013-04/2015, Las Cruces, New Mexico

- Worked under the supervision of an RN providing bedside care, treatment and clinical documentation for patients on cardiac, medical-surgical, labor and delivery, and pediatric floors including a total of over 200 hours.
- Handled medication administration, dressing changes, IVs and all other aspects of nursing care. Also facilitated admissions, discharges and transfers.
- Completed 180 preceptorship hours in the Intensive Care Unit caring for patients post CABG's, intubated patients, and other patients with high acuities.

C.N.A/U.S./ER Tech, Float Pool

01/2011 – 06/2015, Mountain View Regional Medical Center, Las Cruces, New Mexico

- Performed EKG's, started IV lines, drew blood and helped nurses with patient care in the Emergency Department. Also apart of different code teams such as code heart and code stroke teams.
- Monitored EKG rhythms of patients in the Intensive Care Unit and entered physician orders.
- Floated to different floors throughout the hospital including telemetry, medical surgical, and pediatrics assisting nurses with their daily tasks such as vital signs and assisting patients with their activities of daily living.

Scribe

04/2010 – 03/2011, Mountain View Regional Medical Center, Las Cruces, New Mexico

- Documented patient's chief complaint, past medical history and family history.
- Recorded all labs and EKG's in patients chart.
- Assisted physicians by getting their needed supplies for different procedures.

EDUCATION

09/2012- 05/2015, New Mexico State University, Las Cruces, New Mexico

- Bachelor's of Science in Nursing (BSN) received

08/2009- 05/2012, Dona Ana Community College, Las Cruces, New Mexico

08/2007- 05/2009, Dunbar High School, Fort Myers, Florida

- High school diploma received
