- Active: Basic Life Support: (BLS) since 2012- Expires May 2020.

Work Experience

- Skills include but not limited to emergency care of patients of all ages and cultures to provide competent cultural patient care. Bilingual and proficient in English and Spanish. Working in emergency care, I have mastered prioritizing patient care based on illness and emergency.

Registered Nurse: Advance ER Free-Standing Emergency Room: November 2017-present: Dallas, Texas

- Concierge medicine: managing many types of urgent and emergent situations.
- High inference on patient satisfaction.

Travel Nursing Contracts: September 2014- November 2017.

As a travel nurse, it allows for travel, making great memories while practicing patient care nursing across state lines.

Emergency Room Travel Hospitals:

- Parkland Memorial Hospital, Dallas, TC
- Medical City Dallas, Dallas, TX
- Valley Presbyterian Hospital, Los Angeles, CA
- Dignity Health Sacramento, Sacramento, CA
- Cedars-Sinai Medical Center, Los Angeles, CA

Registered Nurse: New Graduate Practice: June 2012- September 2014.

WellStar West Georgia Medical Center.

- As a new graduate, here I learned my nursing skills from well-rounded colleagues that include: nurses, doctors, nurse practitioners, physician assistants, and other ancillary staff. Over two years, here I grasped an understanding of my profession and obtained a work ethic that leads me on the path to master my calling as a healthcare provider.
