

MELISSA RYAN HUFF

553 Rosedale Ave #120 · Nashville, TN 37211
270-505-6173 · melissaryanrn@gmail.com

Seeking a family nurse practitioner position to assist in the management of patient care in collaboration with physician support across the continuum of inpatient and outpatient care. Offering knowledge and assistance with treatment plans and monitoring patient progress, while contributing expertise in bedside care.

EXPERIENCE

MAY 2014 – AUGUST 2019

REGISTERED NURSE, CENTENNIAL MEDICAL CENTER

Provide conscious sedation for image-guided procedures in Interventional Radiology, following the patient from admit to discharge. Obtain patient history and assessment and monitor recovery post procedure. Assist neurosurgeons in treatment of acute stroke and brain aneurysm intervention. Manage daily procedural schedule and staffing requirements.

OCTOBER 2012 – MAY 2014

REGISTERED NURSE, VANDERBILT UNIVERSITY MEDICAL CENTER

Collaborated with medical residents, fellows, and attending physicians to care for critically-ill patients in the Surgical ICU. Provided total care for post liver, kidney, and pancreas transplant patients. Collaborated with donor services to maintain viability of organs for transplant.

JANUARY 2011 – OCTOBER 2012

REGISTERED NURSE, UNIVERSITY OF KENTUCKY CHANDLER MEDICAL CENTER

In addition to duties listed above, provided total care to post trauma patients as a part of the Surgical ICU in a level I trauma center.

AUGUST 2010 – JANUARY 2011

NURSING CARE TECHNICIAN, UNIVERSITY OF KENTUCKY CHANDLER MEDICAL CENTER

EDUCATION

MAY 2019

MASTER OF SCIENCE IN NURSING, TENNESSEE STATE UNIVERSITY, NASHVILLE, TN

DECEMBER 2010

BACHELOR OF SCIENCE IN NURSING, UNIVERSITY OF KENTUCKY, LEXINGTON, KY
