Work Experience

Registered Nurse

MENORAH MEDICAL CENTER - Overland Park, KS

April 1998 to February 2017

Overland Park, KS Month/Year - Feb 2017

2nd largest licensed health care organization comprised of 150 beds and 400 employees.

Registered Nurse House Supervisor (Month/Year - Month/Year)

- Managed delivery of nursing care of 100+ patients and supervised 50+ nursing staff to ensure optimal patient care.
- Ensured compliance with provision of care in adherence to facility's policy and scope of practice through chart audits, staff competency evaluation through direct observation, and evaluation of effectiveness of care provided to patients.
- Drove efficient unit flow, facilitated quality improvement procedures, directed activities of clinical staff according to patient acuity.
- Evaluated staff performance on a regular basis and provided feedback and coaching and disciplinary action, as necessary.
- Improved existing methods in care and treatment of patients, developed and implemented plans for direction and supervision of nursing services; organized and facilitated monthly nursing meetings.

Critical Care Registered Nurse (Month/Year - Month/Year)

- Delivered vital care to 50+ seriously ill or injured patients in Intensive Care Unit (ICU) department.
- Performed range of tasks including diagnostic tests, follow-up visits, treatment administration and response to medical emergencies.
- Enabled development of individualized plan of care for each patient, performed comprehensive assessments and analyzed results to identify problems, determine nursing diagnosis and formulate goals for patients.
- Influenced achievement of proper patient care at home, provided medical and educational instructions to patients and families.
- Coordinated with case management on safe and effective discharge planning.

Charge Nurse (Month/Year - Month/Year)

- Maintained direct responsibility for providing comprehensive and quality nursing care including assessments, planning, implementation, and evaluation.
- Ensured that all 100+ nursing personnel assigned, complied with written policies and procedures established by facility.

- Facilitated patients' needs and goals, reviewed care plans daily to make certain appropriate care rendered and performed rounds during shift to ensure proper care applied in accordance with acceptable nursing standards.
- Achieved accuracy of patient documentation, reviewed and assured all nursing care plans, monthly summaries, nursing notes, 24- hour reports were descriptive, concise and up to date; reviewed lab reports and reported abnormalities to physician.
