PROFILE

- Dedicated service with 20 years of employment in the same hospital with experience in Med-Surg, Medical Oncology, Telemetry, Step-down Unit, Trauma ICU, Cardiac ICU, and Private Duty for Post-Op cosmetic surgery, Post-Partum, and Emergency Services.
 - Consistently commended for delivering patient-centered, quality care.
 - Dedicated member of multidisciplinary healthcare teams known for excellent clinical skills; ability to remain calm under pressure; and strengths in making swift, correct decisions in emergency situations. Commended for my calm interactions with pediatric patients.
-

PROFESSIONAL EXPERIENCE

MISSION HOSPITAL REGIONAL MEDICAL CENTER, MISSION VIEJO AND LAGUNA BEACH (combined 509-bed tertiary medical facility). **RN, Charge, Emergency**, 2005 to Present.

Provide nursing care within this Level 2 trauma center, Magnet Award recipient, non-for profit hospital. Accurately handle medical emergencies such as strokes, cardiac arrest, car accidents, stabbings, gun shots, head injuries, poison ingestion, drug overdoses, sexual assault and burns. **Outcomes:**

- Displayed expert clinical skills in managing the critical care of all categories of Emergency Department patients with an excellent IV placing talent.
- Reacted effectively in emergency scenarios, demonstrating sound decision-making that helped save patient lives.
- Supervised LPNs and CNAs and served as a preceptor/mentor to first-year nursing students.
- Selected to represent Mission Hospital for Magnet Survey.
- Contributed to strategic plans and initiatives to advance standards of care excellence, improve patient outcomes and drive continuous improvement.

RN, Resource Float Pool, 2001 to 2005

Served as a member of interdisciplinary healthcare teams for several units in the hospital. I provided a flexible schedule to the Staffing Office to be placed where the need was the greatest. **Outcomes:**

- Efficiently and knowledgeably provided RN care for all patients. Handled intubations, defibrillations, autotransfusions, IV starts, A-line setups, post-op surgical care, and more.
 - Leveraged interpersonal communication strengths to establish rapport and build trust with all members of the health care team, patients and families.
-
