Work Experience

Clinic/Staff RN

Waukesha County Health and Human Services

2006 to Present

Complete triage for psychiatric patients of multiple outpatient providers

- Distribute and provide education regarding medication for patients in pharmaceutical patient assistant programs
- Manage coordination of care with care providers; includes development of crisis management plans

Registered Nurse

Waukesha County Mental Health Center

2001 to Present

Work as a weekend program-charge RN for a 28 bed inpatient unit; adhere to a 12/12 schedule

- Serve patients that are brought to the Center on an emergency detention/72 hour hold, as well as individuals who voluntarily enter into the facility
- Complete intakes and authorize emergency detentions as part of the 51:42 Board of Waukesha county
- Direct patient care including individual contact, group therapy, assessment and documentation of safety and stability progress
- Aid patients going through poly-substance detoxification processes
- Effectively resolve intra-facility concerns; work to achieve this alongside law enforcement and other providers to best suit patient care needs; includes placement decisions and determining whether to place a legal hold on a patient
- Supervise and delegate personnel throughout the department/facility
- Arrange for discharges as needed

Correctional Nurse

Waukesha County Mental Health Center

2003 to 2006

Provided infirmary and long-term care for inmates and responded to emergency medical situations as needed

- Finalized inmate intake process and coordinated care for transfer of inmates
- Began work at Milwaukee County Mental Health acute and long term units due to an intra-county transfer in 2006
