618-571-0086

Dedicated, efficient, and hardworking LPN equipped with the training and driven mindset necessary to improve patient wellbeing with skilled care. Familiar with Illinois Health Tech and charting requirements, as well as critical safety standards and state requirements. Focused on giving each patient optimal care with dignity and personalized support.

Work Experience

LPN (Licensed Practical Nurse)

Integrity Healthcare - Smithton, IL

June 2020 to Present

Managed medication distribution and security for a geriatric/rehab unit, ensuring each patient received medication and preventing unauthorized access.

Oversaw unit operations, supervising all patient treatments and maintaining current records.

Contributed to care plans by completing regular, accurate condition and behavior assessments.

Improved outcomes by educating patients and families individually and in group settings.

Handled administrative responsibilities, including documenting nursing notes and physicians' orders.

Assisted with laboratory services, collecting and preparing samples for testing.

Coordinated medications for patients, placing pharmacy orders and administering medications.

Stayed on top of patients' needs with routine rounds, paying special attention to high-acuity patients.

Completed routine phlebotomy tasks such as giving injections and collecting laboratory samples.

Maintained productive relationships with patients and families based on trusting and open communication.

Helped patients with routine needs, special calls and emergencies.

Delivered top-notch care for all basic needs, including changing dressings, managing catheters and preventing or treating bedsores.

Assisted with laboratory testing by collecting and transporting biological samples.
