## Objective

To become part of an organization that promotes health by delivering outstanding patient care while allowing me to grow and become a valuable part of the team.

## EDUCATION

**SEPTEMBER 2018**

**MASTER OF SCIENCE IN NURSING, CHAMBERLAIN UNIVERSITY**

Family Nurse Practitioner

GPA 3.61

Sigma Theta Tau National Nursing Honor Society

**MARCH 2011**

**BACHELOR OF SCIENCE IN NURSING, CHAMBERLAIN COLLEGE OF NURSING**

## EXPERIENCE

625 clinical hours completed at a family practice. Patient population included from birth to adult/geriatric, managing acute and chronic conditions.

**CARDIAC-MEDICAL INTENSIVE CARE UNIT 08/2014- PRESENT**  
**REGISTERED NURSE, MERCY SOUTH, FORMERLY ST. ANTHONY'S**  
**MEDICAL CENTER ST. LOUIS, MO**

Coordinating and managing care based on prioritizing, developing, and implementing individual plan for each patient's needs based on their needs. Serving as a preceptor and mentor for the new RN graduates and new hires. Directing patient care with multidisciplinary team approach, and delegating tasks and responsibilities to appropriate individuals.

Proficient as a staff-nurse caring for patients requiring critical care including but not limited to intra-aortic balloon pump, continuous renal replacement therapy, mechanical ventilation/intubation, continuous bedside hemodynamic/cardiac monitoring, lab interpretation, maintain and titrate intravenous vasopressors, inotropic agents, and sedation. Provide acute and chronic wound care.

**MEDICAL STEPDOWN 03/2011- AUGUST 2014**
