Work Experience

Registered Nurse

Nu Era - Tinley Park, IL
January 2020 to Present

- Delivered age-appropriate medical care for adult, adolescent and geriatric ICU patients.
- Monitored patients' respiratory status and ventilator operation and made adjustments to promote stabilization.
- Implemented interventions, including medication and IV administration, catheter insertion and airway management.
- Managed care from admission to discharge, including patient assessments, care planning, health educations and discharging support to provide comprehensive care patients daily.

Registered Nurse

Mt Sinai Health Systems - Chicago, IL
February 2019 to January 2020

- Accurately documented all elements of nursing assessment, including treatment, medications and IVs administered, discharge instructions and follow-up care.
- Organized and managed care of patients undergoing various therapies and procedures, including blood transfusion and surgical procedures.
 - Provided skilled, timely and level-headed emergency response to critically-ill patients.
 - Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.

Registered Nurse

Aperion International - Chicago, IL
July 2018 to April 2019

- Educated patients and loved ones about different treatment options and outside care approaches, reducing burden on hospital resources.
- Equipped patients with tools and knowledge needed for speedy and sustained recovery.

- Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.
- Partnered with physicians, social workers, activity therapists, nutritionists and case managers to develop and implement individualized care plans and documented all patient interactions and interventions in electronic charting systems.
