Work Experience

CNA - Certified Nursing Assistant

Bridges of Appleton - Appleton, WI

May 2019 to January 2020

Specific charting to each individual, proper usage of lifts that were required, also assisted residents with meals. Vitals if needed, bathing, R.O.M., end ADL's. Abided by all HIPPA rules and reported any changes in behavior and new wounds on body

CNA/Caregiver

Living Tree Estates - Greenville, WI

May 2018 to January 2019

Assisting residents with daily needs, taking vitals as needed, daily exercise and following all HIPPA rules

CNA - Certified Nursing Assistant

MedAid Staffing/ HomeAid Health - Menasha, WI

August 2016 to 2018

Traveling to facilities in need of help due to being short staffed. Also giving one on one care to client's wishing to stay in home or just needing that helping hand to guide them through their journey.

Caregiver

Matthews Senior Living - Neenah, WI

March 2017 to August 2017

I started as the Housekeeper part time and it grew into a Caregiver position. Caring for individuals of all walks of life is my speciality. I absolutely loved my job, but reporting harm to others apparently is not right at this place.

Customer Service Representative

VARIOUS COMPANIES AND LOCATIONS - Appleton, WI

2014 to 2016

My job consisted of assisting clients, troubleshoot their home security system. This consisted of using a secure cloud based data system, to keep them safe and secure . Programs used.. Outlook,Microsoft, Adobe and PowerPoint .

Data Entry
