Work Experience

Neonatal Intensive Care Unit Registered Nurse

OU Children's Hospital - Oklahoma City, OK
October 2014 to May 2019

- Managed care from admission to discharge, including patient assessments, care planning, health educations and discharging support to provide comprehensive care to patients daily.
- Offered exceptional care and support to patients recovering from acute incidents and dealing with chronic conditions, including cardiac and extremely low birth weight patients.
- Completed Mend-a-Heart Cardiac Education Program and ELBW Class in order to specialize in the unit on cardiac and extremely low birth weight patients.
- Collaborated with care team to quickly assess patients and deliver appropriate treatment while managing rapidly changing conditions.
- Used first-hand knowledge and clinical expertise to advocate for patients under care and enacted prescribed treatment strategies.
- Educated patients' families and caregivers on diagnosis and prognosis, treatment options, disease process and management and lifestyle options.
- Delivered medications via oral, IV and intramuscular injections and monitored responses.
- Partnered with physicians, nurse practitioners, occupational and physical therapists, nutritionists and social workers, and case managers to develop and implement individualized care plans.
- Cared for patients in 100-bed unit, supporting fellow nurses in delivering outstanding treatment to patients.
