## Work Experience

---

### **RN/Charge Nurse- Operating Room**

ST. CHARLES MDICAL CENTER

November 2017 to Present

Coordinated over 50 individuals in the OR to execute 40-70 scheduled surgeries while integrating urgent/ emergent cases during the day.

Ensured staff received proper breaks and lunches while still maintaining the flow of the OR.

Communicated with surgeons and anesthesiologists in the care of patients, priority of surgeries and OR suite availability.

Assured an efficient OR in monitoring staffing needs and coordinating with other departments.

### **RN- Circulating Nurse**

ST. CHARLES MDICAL CENTER

January 2012 to November 2017

Worked with a multidisciplinary team in caring for patients during surgery.

Implemented and carried out nursing diagnoses and care plans in the OR setting.

Assured patient safety during surgery.

Communicated with other professionals regarding the coordination of patients' care.

Scrubbed Urology cases and assisted the Urology coordinator with the flow of the day, assuring supplies and equipment were available.

### **RN**

ST. CHARLES MDICAL CENTER

July 2008 to January 2012

Worked with a multidisciplinary team in a 9 bed pediatric unit in a community setting.

Created and implemented nursing diagnoses and care plans.

Carried out doctors' orders.

Administered medications, performed nursing assessments and interventions.

Provided patient and parent education,

Floated to the NICU on slower shifts. Cared for "feeders and growers".

### **RN**

BOULDER COMMUNITY HOSPITAL

April 2006 to July 2008

Worked with a multidisciplinary team in a 6 bed pediatric unit and 15 bed medical/ surgical unit in a community setting.

Created and implemented nursing diagnoses and care plans.

Carried out doctors' orders.

Administered medications, performed nursing interventions.

Provided patient and parent education

Charge nurse on a rotating basis- overseeing staff, assuring breaks and lunches, conflict resolution.

## **RN**

LUTHERAN MEDICAL CENTER

July 2005 to April 2006

Worked with a multidisciplinary team in a 10 bed pediatric unit in a community setting.

Created and implemented nursing diagnoses and care plans.

Carried out doctors' orders.

Administered medications, performed nursing interventions.

Provided patient and parent education.

## **Patient Care Associate (Like a CNA)**
