RN Staff Nurse/Charge Nurse

MN
July 1995 to January 2003

Recent travel assignment in acute care hospital, floated on med surg/tele, ER, Covid units in ER and med surg/tele, postpartum. Travel contract assignment on Covid units in 3 facilities in Massachusetts. Before these my last position as an RN was in 2003. Caring for a disabled spouse I was not able to work. I worked in community hospitals and larger trauma hospitals in ER. L&D, level I and II nursery, NICU, pediatrics, med surg/tele, rehab, float, and LTC/skilled. My experiences and skills are many as I had always worked two jobs at the same time.

Skills/experiences: IV insertion & therapy, blood administration, central line care and blood draws, chemotherapy administration, EKG's and cardiac monitoring, Tele-medicine use, phone triage, post anesthesia care, ER patient assessment, care, and management, Epidural monitoring, C-section prep and circulator, antepartum and postpartum assessment, monitoring and care, fetal/maternal monitoring, fetal scalp electrode placement, newborn assessment, infant and pediatric IV insertion & therapy, ECG monitoring in infants, UAC/UVC placement assistance & monitoring, pediatric assessment and care, Medicare coding, care conferencing, MDS/RAP modules, staff supervision, coordination, and education, staffing/scheduling, CPR instructor, ADON/unit coordinator, case management, home health. Surgical tech prior to RN, Matrix, Epic, and Cerna use. Travel nursing
