Dedicated and energetic individual, seeking a position as Registered Nurse in a Health Care organization where I can expand on my nursing education and training. My interpersonal and clinical skills will allow me to provide the highest level of patient care.

Authorized to work in the US for any employer

Work Experience

Registered Nurse - Intensive Care Unit

The Genesis Group - Globe, AZ

August 2020 to Present

Prepares and administers prescribed medications orally, subcutaneously, or intravenously

- Manage medication doses, anesthesia and ventilator support
- Monitor patients progress and alert attending physicians when sudden changes occur that calls for emergency intervention
- Monitor life support equipment and devices such as cardiac monitors, transducer, pressure lines, mechanical ventilators, oxygen delivery and pulse oximeter

Staffing Agency

The Genesis Group

June 2020 to Present

Floating RN - Progressive Care Unit/ER/CCU/MedSurg

The Genesis Group - Providence, RI

June 2020 to August 2020

Caring for patients who need close monitoring and frequent assessment, but who are not unstable enough to require ICU care.

- Uses computer equipment to monitor cardiac and other vital information and detect any changes, thereby enabling intervention of life-threatening or emergency situations
- Adapts to a rapidly changing work environment.
- Quickly assessed patient conditions and obtained vital signs

Registered Nurse - Progressive Care Unit

Norman Regional Medical Center - Norman, OK
