Work Experience

Intensive Care Unit Registered Nurse

Beverly Hospital - Montebello, CA

January 2020 to Present

Observe patients' vital signs and administer physician-prescribed medications and treatments. Record patients' medical status and treatment details in electronic charts to accurately document medical care.

Handle specialized care needs, including ventilator support, feeding tubes and central lines.

Assess symptoms and behavior and report changes to on-call physicians.

Proactively learn new procedures and treatment protocols from more established nurses.

Give compassionate care to critical patients suffering from debilitating conditions.

Registered Nurse, Medical

Surgical Unit - Montebello, CA

June 2019 to January 2020

Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.

Managed care from admission to discharge, including patient assessments, care planning, health educations and discharging support to provide comprehensive care to over five patients daily.

Delivered medications via oral, IV and intramuscular injections, monitoring responses to address new concerns.

Managed patients recovering from medical or surgical procedures, including facilitating wound care, ostomy care, pressure ulcer prevention and pain management.
