Work Experience

RN Staff Nurse

UW Health - Madison, WI

December 2020 to Present

I work on a med/surg and post op floor. Duties include medication administration, care plans, admissions and discharges. Post op care of orthopedic and general surgeries.

- Delivered patient education
- Admitted patients
- Collected and interpreted patient data
- Provided nursing care for up to 5 patients per shift

RN Staff Nurse

Allure - Mount Carroll, IL

June 2020 to November 2020

I worked as a Staff Nurse at a 30 bed skilled nursing facility. I pass medications, perform wound care and dressing changes. I also do all electronic documentation as well as admissions and discharges. I also fax orders to doctors if needed.

- Admitted patients
- Worked directly with patient and physicians
- Administered medication and treatments through Point Click Care
- Formulated and evaluated health care plans
- Facilitated the plan of care
- Delivered patient education

RN

AGNESIAN HEALTHCARE

June 2019 to June 2020

I work in the mobile unit. My responsibilities are to cover shifts on 5 floors including med/surf, cardiac, neuro, post-op, ICU and step down unit. My patient population and descriptions varied and within my responsibilities I was able to do a variety of tasks and work with a variety of providers. I have experienced a variety of patient populations as well as cared for patients that have been admitted to the hospital for a wide scope of reasons. Including but not limited to cardiac, post op patients, cancer, stroke, and many others.

Student

HIGHLAND COMMUNITY COLLEGE

August 2015 to May 2019

I have been a full-time nursing student during this time.

Certified Medical Assistant

UW HEALTH WATERTOWN

June 2010 to June 2014

My responsibilities were to room patients, take vital signs, assist doctor with procedures, take phone calls, assist with paperwork for insurance companies and referrals. I also was the backup person for the lab where I would draw blood and do testing.
