Work Experience

Registered Nurse

St Charles Medical Center, Bend OR. - Bend, OR

May 2014 to August 2020

St Charles Medical Center, Bend/Madras. I started in the Recovery room/ pre-op area in Madras and worked there for 8 months before getting a position in Bend on the post-op surgical floor for 3 years. I then joined the float pool working Med/surg, Ortho/neuro, support roles in ICU, IMCU and the ED. The last 10 months I was on the Medical floor.

Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Additional Information

My critical care experience was working in the PACU for 18 months in a Trauma Center. Before becoming an RN, I was also an LVN and a NA. I enjoy working with patients very much, and remain dedicated to excellent patient care.
