Work Experience

LPN (Licensed Practical Nurse)

Titan Medical Staffing

November 2021 to Present

I am a traveling LPN that assists nursing homes and hospitals with staffing to fill their needs

Medical Operations Supervisor

CSL Plasma - La Crosse, WI

January 2021 to Present

I oversee the workflow of the donations. I stay up to date on training, train staff, lead morning huddles, handle any donor complaints, work with our physician on any adverse reactions and up dating charts.

LPN

Soldiers Grove Health Services - Soldiers Grove, WI

June 2020 to Present

Observed patient vital signs and medication reactions, reporting any health concerns or behavioral changes.

Monitored vital signs during medication administration to quickly identify any complications.

Maintained strong knowledge of medications and medical terminology through education and seminars.

Pleasantly greeted patients and families and displayed enthusiastic, compassionate attitude, effectively establishing long-term professional relationships.

Maintained medication stock and performed cleaning of patient rooms

Update charts and notify the family and doctor or any changes in health.

Medical Operations Supervisor

CSL Plasma - La Crosse, WI

January 2020 to Present

I am responsible for supervising the staff and workflow. I am also responsible for any customer service complaints and talking to any donors. I complete donor physicals and health history's. I work with our physician by updating patient files, working through any adverse reactions, teaching staff, completing staff scheduling and staying up to date on new information
