Work Experience

Travel ER Registered Nurse

UCD Medical Center - Sacramento, CA

August 2020 to October 2020

- Utilized EPIC EMR to document all patient interventions, such as vital signs, medication administration, evaluations, care plans and observations.
- Maintained open and clear communication with physicians to coordinate safe and effective patient care.
- Responded to emergency situations with speed, expertise and level-headed approaches to provide optimal care, support and life-saving interventions.
- Collaborated with interdisciplinary personnel to create, implement and manage patient care plans suiting individual needs and preferences.
- Collected lab specimens and interpreted diagnostic tests and lab results.

Registered Nurse, Emergency Department

Trinity Health - Fresno, CA

March 2019 to August 2020

- Monitor and record patient condition, vital signs, recovery progress and medication side effects.
- Triage incoming patients and clear communication with physicians and other clinical staff to prepare for treatment, carry out interventions and enhance continuum of care to deliver comprehensive services.
- Administer medications, track dosages, intravenously transfuse blood and blood products and document patient conditions.
- Collect lab specimens, ordering and interpreting diagnostic tests and lab results.
- Maintain composure and efficiency during rapid response situation and emergency codes.
- Assess patient health needs by reviewing and tracking EKG readings to address telemetry readings and quickly inform teammates on stability or acuity changes.
- Oversaw patient admission and discharge processes to coordinate efficient movements and related paperwork.
- Educate patients and families on treatment strategies and at-home care.

Emergency Clinical Technician

Trinity Health - Fresno, CA

July 2015 to March 2019

- Assist MDs, RNs, EMS and ER staff with trauma and/or urgent care, as well as, non-urgent care.
