Work Experience

Temp Nurse

Superior Medical Staffing - Wake Forest, NC
January 2019 to Present

As an agency Nurse I work in a large assortment of settings. I've participated in everything from nurse education to School Nursing. It has also provided me a large Pt population and a diverse work environment.

Intensive Care Nurse

Thrive Pediatric Skilled Nursing - Raleigh, NC
January 2018 to Present

As an intensive care nurse I have experience in multiple settings working with a large pool of patients. Most Pts are dependent on Vents, Trachs, or Tubes. I have a large range of experience and am comfortable working with clients that require more intensive care. I have experience as a one on one nurse and I have also provided nurse management and nurse education.

Registered Nurse

True Radiance - Raleigh, NC
January 2018 to September 2018

As a registered Nurse, I specialize in aesthetics and cosmetic nursing. My responsibilities included event management, promotions marketing and staff training. Additionally I provided all aspects of nursing care within my scope of practice in the cosmetic field. Everything from botox, dermal fillers, & lasers. I am proficient in providing direct client care and have 5 years experience as a nurse injector.

Registered Nurse/ Partner

Adorn Aesthetic & Laser - Morrisville, NC
January 2016 to January 2018

During my time at Adorn I specialize in injectables such as; Botox, Dysport, Juvederm (Ultra, Plus, Voluma, Vollure) Restylane (Silk & Lyft). I'm extensively experienced in micro-injection technique, non-surgical face lifts, Botox brow lifts/chemical brow lifts, vampire face lift, tear trough, temple, mid-face, & lip enhancements. Additionally, I am proficient in; advanced laser resurfacing (Pixel & Fraxel), micro-needling with stem cell, chemical peels (anti-aging, acne, rosacea), laser hair removal, tattoo removal, dermaplaning, micro-derm, derma-sweep, spider vein removal (1064/532 yag laser), sclerotherapy, body contouring, radio frequency fat ablation, liposonix, coolsculpting, As the director of aesthetics I was responsible for overseeing daily activities of both the staff and patients. I also provided direct patient care during this time in addition to these responsibilities. Engaging in direct patient care 30hrs per week.

Registered Nurse

Wake Health Medical Group - Wake Forest, NC

December 2013 to January 2016

My employment at wake health consisted mostly of cosmetic nursing and womens health, everything from Botox, Fillers, and Lasers. I also worked directly under my PA and doctor assisting in dermatology procedures & care. My experience was varied & allowed me to work with a large patient demographic. I enjoyed my time at Wake Health as it allowed me to work with a diverse patient population. I was also given extensive training and hands on experience in the aesthetic, and medical field.
