Work Experience

Agency Nurse

Advantis Medical Staffing - Dallas, TX

April 2021 to Present

I recently completed a 13 week assignment at OU Medical Center on the oncology unit with a nurse:patient ratio of 1:6. I was proficient at electronic patient documentation using Meditech.

Agency Nurse

Medial Staffing Network - Oklahoma City, OK

June 2020 to April 2021

Im an agency nurse at Medical Staffing Network/Cross Country Health Care. I am currently contracted at Integris South West Medical Center on the med surg floor. Each shift I complete patient assessments, pass medications, roundings and charting. My significant accomplishment is I have become proficient in Epic.

Supervisor/Charge Relief

Ou medical center - Oklahoma City, OK

November 2012 to November 2019

I was supervisor for 1 1/2 years at OU post surgical unit. I stepped down and now I'm occasionally relief charge. When in charge I am responsible for a 30 bed unit, patients and staffing, all while having patients myself.

Registered Nurse

Ou medical center - Oklahoma City, OK

October 2012 to November 2019

A 30 bed unit mostly post surgical patients and some medicine. I'm very knowledgeable in trach care and taking care of urology, surgery onc, gynecology, and medicine patients. The floor I currently work on is fast paced and high acuity.
