WORK HISTORY

REGISTERED NURSE, PROGRESSIVE CARE UNIT *02/2019 to CURRENT*

Ascension Sacred Heart | Pensacola, FL

- Reviewed post-operative orders and continuously monitored patients' post-operative vitals, set up PCA and fluids and oriented patients to unit to achieve optimal outcomes.
- Liaised with patients following cardiothoracic surgical procedures, providing support and education on post-surgical care.
- Delivered medications via oral, IV and intramuscular injections, monitoring responses to address new concerns.
- Managed care from admission to discharge, including patient assessments, care planning, health educations and discharging support to provide comprehensive care to four patients daily.
- Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Collaborated with physicians to quickly assess patients and deliver appropriate treatment while managing rapidly changing conditions.
- Trained new nurses in proper techniques, care standards, operational procedures and safety protocols to optimize performance and safety.
- Maintained respectful treatment environment that honored patients' and families' cultural and religious traditions and preferences.

- Oversaw various aspects of telemetry by administering PA catheters and arterials, vasoactive drugs, titration, thrombolytic therapy, dysrhythmia interpretation and chest tubes.
- Produced care plans in alignment with physical, psychosocial and learning needs of patients, achieving commendations for compassionate treatment.
- Assisted in diagnosis and treatment of conditions such as unstable angina, cardiomyopathy, coronary artery disease, and cardiac dysrhythmia.
- Administered nursing care to cardiac patients undergoing diagnostic, therapeutic or emergency services.
- Administered medication, pain management and analysis of patient responses to interventions to improve individual performance.

ORTHOPEDIC REGISTERED NURSE

02/2018 to 02/2021

Baptist Health Care | Pensacola, FL

- Delivered high level of quality care to diverse populations while overseeing patient admission and triaging based on acuity and appropriate department admission.
- Explained course of care and medications, including side effects to patients and caregivers in easy-to-understand terms.
- Reported patients' status and delegated nurse assignments to achieve optimal outcomes.
- Educated family members and caregivers on patient care instructions.
- Implemented interventions, including medication and IV administration, catheter insertion and airway management.
- Evaluated patients' pain levels, implementing correct dosage of medication to alleviate discomfort.
- Communicated with physicians to provide updates on patient care.
- Followed all HIPAA rules and regulations regarding patient confidentiality.
- Maintained energy and enthusiasm in fast-paced environment.

PATIENT CARE TECHNICIAN

03/2016 to 10/2017

Ascension Sacred Heart | Pensacola, FL

- Obtained patient vital signs and reported results to staff nurse or physician, noting changes from prior measurements.
- Gathered dietary information, assisted with feeding and monitored intake to help patients achieve nutritional objectives and support wellness goals.
- Interacted effectively with patients, families, staff and other hospital department staff to deliver high level of customer service and teamwork.
- Helped patients maintain healthy skin by checking wounds, assessing integrity and bathing bedbound individuals.
- Responded to patient emergencies with immediate care and notified clinicians to provide comprehensive assistance.
- Supported patient admissions, discharges and transfers to promote team efficiency.

- Attended to patient and family's immediate needs and concerns by acknowledging and providing required attention.
- Assisted in providing patients with nutritional needs by transporting food trays and aiding with feeding.
- Obtained biological specimens for ordered tests and prepared for laboratory transport.
